WHO HAS SEEN GUS THE WHITE

Gus presents quite a white-man's apprarance. His complexion is fair, his nannersand expression genteel and polite. He is about 30 years old—medium size and weight—hair black and straight—see grey or black—dresses genteely and wears a watch. He carries with him a banjo, and picks it tolerable well, and sometimes acts the barber. He has often been taken for a white man. The public will please watch for Gustus and bring

Now we know of any quantity of white nen at the North who are slaves, and peraps one of them is Gus .-

(From John C. FREMONT

"I heartily concurin all the movements which have for their object, to repair the unschiefs arising from the violation of ood faith in the repeal of the Missouri ompromise. I am opposedto slavery a the abstract, and upon the principles ustained and made habitual by long set-led convictions While I feel inflexible in the belief that it ought not to be interfered with where it exists under the shield of State Sovereignty, I am inflexibly opposed to its extention on this continent beyond its present limits."

(From DANIEL WEBSTER "Whenever there is a substantive good o be done, whenever there is a foot of and to be prevented from becoming slave rentory, I am ready to assert the prin-

ple of the exclusion of slavery," Where are Fremont's backers? Buchanan Paper. Working at the forge-in the machine shop-in the harvest field-and getting more than 'ten cents a day' at that,
